COUNCIL SCHEDULES ADDITIONAL HEARING FOR MORE PUBLIC FEEDBACK ON COUNTY CAPITAL PROGRAM

The County Council, following up on last Tuesday's marathon session of testimony on the fiscal year 2002 capital budget and the six-year Capital Improvements Program, has scheduled a second public hearing to solicit public input. Over 600 residents crowded the Council Hearing Room earlier this week, mostly to show strong support for increased schools funding.

The hearing will be held on Tuesday, February 27, starting at 7:30 PM at the County Council Building, 100 Maryland Avenue in Rockville. Those wishing to testify should call (240) 777-7931.

"The Council's job is to match our resources with our needs," said Council President Blair Ewing. "We want to hear directly what Montgomery families need and want."
